We're delighted you're here!

With years of experience in the wedding industry, we are fully trained florists specialising in both faux and fresh blooms. Fancy both? We can match our faux and fresh designs to allow you to have both everlasting and real florals as part of your day, alongside our gorgeous styling pieces.

Our styling range has been selected to provide you with a variety of options to suit your style and theme, to build the day of your dreams. We are here to help you create your vision and take the stress out of planning and setting up your big day.

We truly believe every single detail of your special day should be perfect. Each element of our styling packages are designed around your ideas, style and colour scheme meaning every one of our setups and floral design is bespoke and unique.

We can't wait to work with you,

Our Services

Aisle Decor

Choose from a wide range of options to decorate your aisle, including large vases, floral meadows, urns, milk churns, petals, runners, plinths and more.

Welcome Signs

We design and rent a plethora of welcome signs for your big day. Choose from a wide range of options printed on different materials, such as mirrors and Foam X board. Your sign can be displayed in a number of ways, from sitting on an easel to hanging from a metal stand. Complement your welcome sign with foliage, flowers, flowing chiffon, candles and more!

Ceremony Tables

Choose from floral garlands, sweetheart arrangements, table runners and candles to elevate your ceremony table - these items can then be repurposed throughout your day.

Statement Backdrops

We absolutely love creating statement pieces for your special day.

Choose from our moon gate, pergola, broken arch, or wooden pieces, and let us create you a bespoke piece with luxury faux, dried or fresh florals. Candles and chiffon can also be added to give your backdrop a final touch.

These pieces are easily transportable so can be used throughout your day in different locations.

Table Plans and Styling

Welcome your guests into your wedding breakfast with a beautiful seating plan. Choose from our customisable mirrors, vintage ladders, a mesh grid, a metal stand with a hanging board or one of our easels. We also offer a range of stationary to suit your theme to welcome your guests to their seats.

Candles

Add elegance and class to your tables, and throughout your venue, by adding candles. We have a wide range to choose from, from hurricane-covered taper candles to small votives, from floating candles to large lanterns; we are sure that we have what you need to suit your style and theme. We also supply battery powered candles for venues which do not allow real flames.

Chair Decor

Our ever-growing styling collection offers a range of chair decor to decorate the chairs in your venue. We stock drapes in a range of materials - voiles, chiffon and cheesecloth - and offer fresh and faux floral brooches and ribbons if you'd like to finish off your chairs with an extra elegant touch.

FAQs

Do you have a DIY option?

Yes - if you would like to set up the venue yourself, you can rent our items, collect them and return them the next day.

Do you have a minimum spend?

Our DIY minimum spend is £250.

If you would like us to style your event, our minimum spend is £500 on items from our collection, with an additional £50 set up fee (£100 with faux florals included, £150+ for fresh florals, depending on the size of your installations) .

Please note, if you are ordering fresh florals, a florist set up will be on your quote, and the styling set up fee will not apply.

Do you take a damage deposit?

No we do not - weddings and events are expensive enough!

However, a damage fee will be charged if any items are broken beyond repair whilst they are out on hire. The damage fee will be the exact price it will cost us to replace the item.

Can I mix fresh and faux florals?

Absolutely! Yes! You can mix and match to make your day exactly as you've imagined it!

How do I reserve my date?

Contact us today for a quote and free consultation! We aim to get these back to you, with a mood board, within 48 hours after our meeting. A £150 deposit is then required to secure your booking.

When is the final payment?

We ask for a 50% payment 6 months before your wedding, and the outstanding balance one month before your big day!
